General information

- Driver Ed. Program must be completed within two years from the date of the initial registration. Otherwise, the course must be re-taken at the students own expense. No refunds or credits are given for any incomplection.
- Any missed classroom session must be made up in accordance to the session that was missed. For example: if class #4 was missed, you must attend class #4 at a future session. Please arrange make-up dates by calling the office at (508)335-0651
- Each student is responsible for assuring that they sign in for each class they attend, or no credit will be given for that class.
- Each student is required to take and pass a final exam. The passing grade is 80%. Please arrange make-up date by calling (508)335-0651. Test Retake: \$25.00.
- A 24 hour notice is required for cancellation of a driving/observation lesson or there will be a charge of \$55.00 for the missed lesson.
- Driving/observation lessons are 2 hours each session. Students must have a learners permit at each lesson. Including observations. If student fails to bring their permit they will not be allowed to take the lesson and will be charged \$50.00 for a missed lesson.
- In certain circumstances, driving/observation lessons may require a central pick-up and drop-off point, which may be located at the Best Driving School facility or another agreed upon location.
- Parents are required to attend a parent class before the student receives their Driver Ed. Certificate. If a parent has attended a parent class within 5 years they are required to submit a completion form, which can be provided by the school in which the class was taken. The parent class must be completed before the student starts his/her driving/observation lessons. Parent classes are held within the week after a class has been completed. Usually on the Saturday after your child has finished class.
The driver Ed Certificate will be processed as soon as all requirements have been met.
